**Broker's Comment:** Experience the sensations of a very fast sailing boat

**Description:** Experience the sensations of a very fast sailing boat, not only in racing, but also during family holidays or day trips. The First 36 has benefited from an extremely advanced design to combine comfort on board and high performance under sail. The performance of the best racing boats is now within reach of local racers and sailors. It is the first cruiser/racer whose comfort on board does not compromise the sailing experience.
